The Number One Sign In & Visitor Management Solution for Education

PROTECH SOLUTIONS
IT | AUDIO-VISUAL | SECURITY SYSTEMS

Manage your visitors, staff and student sign in and registration with InVentry;
the site access and safeguarding management solution.

System Features

20" Touch Screen Monitor
Integrated webcam, customisable front screen and widgets.

Multiple Entry Points - Quickscan
For sites with more than one staff entrance point. These systems will synchronise with your central database.

DBS & Safeguarding Module
Serves as your single central record of DBS checks for staff and visitors. Manage when checks are due to expire and need to be completed.

Languages
Automated translation to any world language and custom questions are automatically translated without user interaction.

Multi Academy Trust Functionality
Allows 'trust' employees to travel across multiple sites using the same ID. Trust wide reporting allows the generation of personnel reports across multiple trusted sites.

Visitor Pass System
Multiple badge options for visitors including thermal and colour passes.

Swipe Options
Fully customisable ID badges for staff. Swipe technology available includes Paxton, MiFare, HID, UPC, barcode and QR code.

Email Staff Notification
Notifies staff when a visitor has arrived by e-mail and/or SMS text message.

Events Management
Ability to pre-book visitors into school events, such as parents' evening or meetings. Customisable email invitations can be created in the invitation builder.

Facial Recognition
The facial recognition feature recognises visitors that have previously been on site to speed up the sign in process.

Full Installation Service
InVentry certified technicians will install the system, and configure the InVentry software to suit your requirements. Staff members will also be provided with a complete training session.

Events

● InVentry Evac App
Fire evacuation roll call including students lists.

● InVentry Staff App
Register yourself onsite directly from your location enabled mobile device.

● Events App
Manage sign in for events, such as parent's evenings, directly from your mobile or tablet.

Available on the iPhone App Store

Windows Phone

ANDROID APP ON Google play

Student Module

- ● **Digital registration for breakfast and after school clubs**

- ● **Automatically reads class lists from your MIS meaning no time consuming manual updates are required**

- ● **Automatically writes back to your MIS (administrator approval optional)**

- ● **Group tracking module for quick sign in/out of groups of students for school trips**

- ● **Mobile registration for extra curricular activities or detentions**

- ● **Late student pass including time and reason for lateness can be printed and taken to class**

6th Form
Tracking & Registration

- Allows 6th Form students to be tracked on/off site for fire evacuation

- AM/PM session registration marks available with SIMS

- A range of swipe and touchscreen sign in options available, including Paxton, MiFare, HID, UPC barcode and QR code

"I have no hesitation in recommending InVentry; the service has been excellent and has added to the professional image of our school .

Congleton High School, Cheshire.

"The InVentry System allows us to quickly see which visitors and DBS checked staff are on site; We are very pleased with the whole system and received good customer service from staff who are polite and accommodating, we would definitely recommend.

The Liverpool Joint Catholic and Church of England Academies Trust, Liverpool.

For more information or to book a **FREE** demonstration of the InVentry sign in and visitor management system, please call us today!
